

Guide to Daily Planning for Room 2 Students Learning From Home:

This is a guide to how your time might be structured. The following plan is flexible. We recommend that you work on three sessions a day. It is entirely up to you how long each session is or at what time you do them.

SESSION	ACTIVITY
Literacy/Numeracy	Star of the Day, days at school, day, date and weather. Complete one of the Literacy or Numeracy skills activities.
Movement Break	Fundamental Movement Skills session (3 times per week) Physical Exercise/Fitness
Literacy/Numeracy OR Integrated Learning	Choose from one of our Literature, Shared Book or Mathematics activities OR Work on one of our Integrated Learning- HaSS, Science, Technologies, Health
Break	Play a game, outdoor play, etc
Literacy/Numeracy OR Integrated Learning	Complete activity started during previous block (if required) Choose an activity from Home Learning Matrix
