Cassrooms. FC			A concern was raised about whether the school has enough classrooms if enrolments increase. Discussion on the school set-up and available			
Financial report Cash report - we have spent up to 52.2% of our school cash plan Ideally at this stage of the year we should have spent between 80-85%. However more professional development for staff is planned for this semester, which will use up some funds. Suggestion: New microphones to be purchased, as it has been noticed at assemblies they have been going flat.						
Source Endorsement of Reports Swapper Accepted and moved by M. Hardy. Seconded by AC	4.2	Financial report	Cash report - we have spent up to 58.2% of our school cash plan.
