

Everyone feels unwell or gets sick sometimes

We have been learning how everyone feels unwell or gets sick at some time. Talk about the times when your child has been unwell. Remind your child the steps that were taken to care for them during this time such as rested and stayed in bed, and drank lots of water.

Some common childhood illnesses are shown on this sheet. Help your child add colour to the boxes that show an illness your child has experienced.

Please return this sheet by _____

as we will be using the information to build a graph of common illnesses in our class.

<p>Cold/flu Please colour this box BLUE.</p>	<p>Measles Please colour this box with RED SPOTS.</p>	<p>Chicken pox Please colour this box with YELLOW SPOTS.</p>	<p>Mumps Please colour this box RED.</p>
<p>Upset tummy Please colour this box BROWN.</p>	<p>Constipation Please colour this box GREEN.</p>	<p>Broken bone Please colour this box PURPLE.</p>	<p>Tonsillitis Please colour this box PINK.</p>
<p>Eye infection Please colour this box with BLUE DOTS.</p>	<p>Ear infection Please colour this box with GREEN DOTS.</p>	<p>Head lice Please colour this box with BLACK DOTS.</p>	<p>Skin rash Please colour this box ORANGE.</p>

Thank you for playing a vital role in your child's health and drug education.
